CONNECTIONS

A Note from Our President:

I can't believe it's been 6 years already! Six years of supporting our mission to:

Encourage fellowship among women

Support and shop local

Aid other non-profits in meeting their objectives

...and we are always looking for new ways to do just that. On behalf of Ladies 327 and its Board of Directors, I would like to introduce you to something we are all very excited about...

CONNECTIONS: A Quarterly Publication.

CONNECTIONS is our answer to your requests for more information, a way to get to know your local businesses and discover ways to serve in your own backyard. We hope that you will enjoy the convenience of having easy access, whether in your purse or on your phone. Yes, *CONNECTIONS* can be found in a digital copy you can save on your desktop or wallpaper too!

Our hope is that this new community resource will help make your life just a little bit easier as you discover new things to do on the weekend, start planning your holiday gatherings and...I can't believe I'm saying it...begin your Christmas shopping.

As always, thank you so much for your valued support of Ladies 327!

Kim Colegrove,

President

What does it mean to *Serve*? Service is unpaid work performed by a people for the benefit and betterment of our community, and its people. Service can be one on one, or at a function.

How can I *Volunteer*? You can serve at events where we need lots of volunteers (such as Sanford Jazz in the Park) or ask where volunteers may be needed for deliveries or assistance.

For more information contact our Volunteer Coordinator
LeighAnne@Ladies327.org

Why do we *Support Local*? Supporting local businesses with your cash helps to create that feeling. Your support helps pay the bills to keep that business running. In addition to the light bill, supporting a local business also helps to add jobs to the market. These jobs help to stimulate our local economy.
